

Best Dentist

Sonoma County

Synergy Dental Group provides exceptional service with a natural approach to achieving optimal well-being. We practice elements of biologic and holistic dentistry tailored to exceed patient expectations.

A leading proponent of oral-systemic health and anti-aging dentistry, Dr. Kimberly's Constant and Never Ending, "CANI" Philosophy is to be proactive in all that we do.

Addressing COVID-19 as our top priority, we advocate immune strengthening supplementation to biohack our cells. We protect our patients & staff by consistent wipe-down protocols and pre-rinse mouth treatments to reduce aerosolization of bacteria, virus, and contaminants at each dental visit.

With 27+ years of private practice, Synergy owner, Dr. Kimberly Hubenette provides all aspects of individualized dental care; including sedation, cosmetics, comprehensive reconstruction, implants, Snoring/Sleep Assesments, lasers and TMJ therapies.

**Winner—Best Dentist—2015, 2017, 2018
Sonoma's People's Choice Award.**
